

3-Minute Roadmap to Cooking Gas

For school principals and school boards: what you do, what LushBert and the bank do, and the point where the final decision is yours.

Who acts: ● SCHOOL ● LUSHBERT ● BANK | Filled circle = before your decision · Outlined circle = only if you say yes

YOUR PART — LEARN AND APPLY

- 1 Start on lushbert.com**
Go to [lushbert.com](https://www.lushbert.com) and open **School Biogas Programme**.

● SCHOOL

- 2 Read the full presentation**
Open the **Full Programme Presentation (PDF)** on that page and read it for the details.

● SCHOOL

- 3 Complete the Waste & Energy Audit**
Download the audit, read it and fill it out using real school records. Sign it and email it to info@lushbert.com.

● SCHOOL

LUSHBERT AND THE BANK — QUOTE AND APPROVAL

- 4 LushBert prepares your quote**
We prepare a quote for the investment at your school and, where appropriate, present it to the financing banks to see whether they are ready to finance your project.

● LUSHBERT ● BANK

- 5 The bank decides**
If the bank approves your project, it gives the green light and informs LushBert.

● BANK

- 6 LushBert informs you**
We tell you, the principal, about the bank's decision.

● LUSHBERT

DECISION POINT

Now the decision is yours

Everything now depends on you and the decision makers at your school. **You have the final say:** move ahead, or not.

If you want to move ahead, first get in touch with LushBert and tell us your decision.

● SCHOOL

IF YOU SAY YES — FROM APPROVAL TO OPERATION

- 7 LushBert visits your school**
We check the local situation on site, so that there are no misunderstandings and the project is completely valid as described and financed by the bank.

● LUSHBERT ● SCHOOL

- 8 Financing contract**
After this final check, the school contacts the financing institution to prepare the contract documents, so that payment can be made and LushBert can order the plant.

● SCHOOL ● BANK

- 9 Plant ordered, site prepared**
Once LushBert orders the plant, we discuss with you, step by step, how to prepare for reception, installation and commissioning.

● LUSHBERT ● SCHOOL

- 10 LushBert runs the plant**
Once installed, LushBert manages operation and maintenance, including through the humanoid robot. All details are shared in the meetings with LushBert personnel at your school.

● LUSHBERT
